Dear Paul,

Now that the new workshop at Lewes is up and running, I just wanted to express my personal appreciation to you and your staff for the excellent work in concluding this project. The timetable was extremely tight and, without the absolute commitment and mutual support of the entire project team, it would not have been delivered within the deadline. We are delighted with what has been achieved and the excellent quality of the finished product.

Very many thanks.

*Kind regards,
Yours sincerely,
Mark.*
