

098470 AUTOPSTENHOJ Maestro 2.35 NxT Two Post Lift ST 925-1550mm

UPLIFTING COMPANY
AUTOP STENHOJ

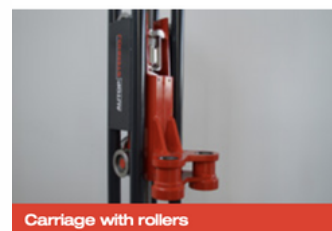

Made In Denmark

Stable, welded post

Internal arm locking system

Carriage with rollers

The Maestro 2.35 series 2-post lifts stand out due to their high-quality construction and advanced features.

Manufactured in Denmark this premium two post lift is also suitable for electric vehicles due to its low minimum height, swivel arms and optional wheel support devices. Featuring a roller-bearing carriage ensuring smooth running behaviour, as well as extremely stable welded columns and a cold-rolled spindle, which guarantees a particularly long service life.

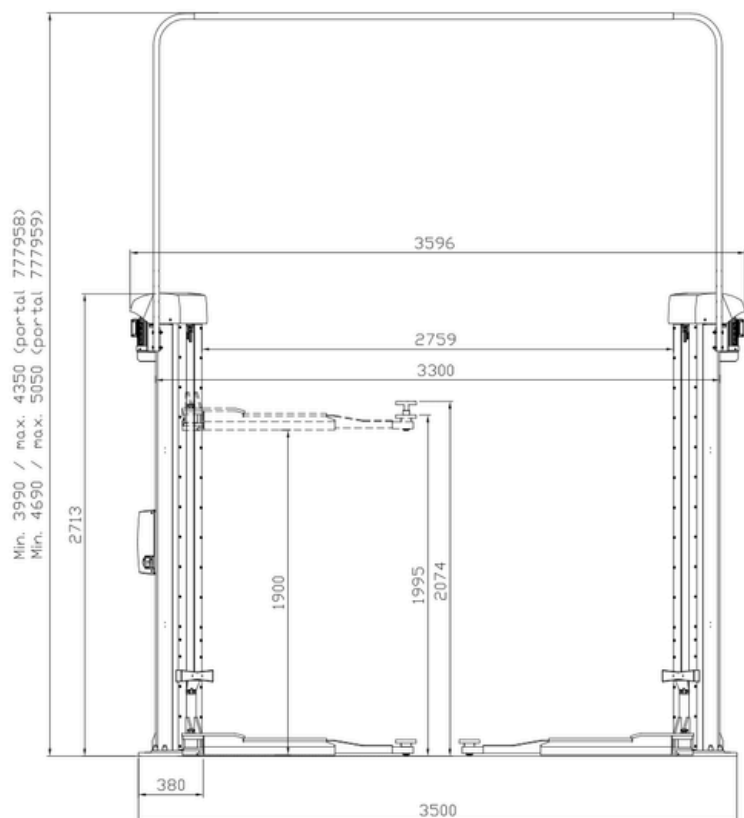

This design facilitates an optimal door opening angle, making entry and exit more convenient. Suitable for all types of repair and maintenance work on small and large passenger cars, sports cars, 4x4's and small vans (excl LWB).
